

## Fall 2015 SCHEDULE OF CLASSES

### IMPORTANT

**All Students:** See the online timetable for line numbers that correspond to sections available for undergraduate or graduate credit. Some courses listed here and taught by faculty affiliated with the Center of Latin American and Caribbean Studies do not pertain directly to Latin America so special arrangements need to be made to earn area studies credit. On occasion, and upon approval from the Center and from the instructor, courses not listed below may also count for Latin American area studies credit.

**Graduate Students:** Any course listed with “Staff” as the instructor is taught by graduate students. You will need to enroll concurrently in a section of LAA 500 so that a professor issues the final grade for these courses and so that you receive graduate credit for them.

**Note:** TBA indicates either that information is not yet available or that arrangements should be made with the instructor. This schedule is subject to changes. Check the Registrar’s online [course schedule](#) for updates.
